Dear Parents/Guardians,

## **INTERNATIONAL COMPETITIONS AND ASSESSMENT FOR SCHOOLS (ICAS)**

The entries for the **ICAS Competitions** for Years 3–6 in Science, English, Writing, Spelling, Mathematics and Computer Skills are now being accepted. Each student who participates will receive a Certificate and a detailed results letter that highlights student's strengths and weaknesses.

Participation in the competitions is voluntary and involves a per child cost of **\$9.00** for Computer Skills, Science, Mathematics and English, **\$12.00** for Spelling and **\$18.00** for Writing. The new price is necessary to cover the increased labour costs of correction of exams. These costs are **NOT REFUNDABLE**.

If a child is absent on the competition day, **but** has paid the entrance fee, I can provide them with their paper but they cannot receive the official feedback. Only children in the appropriate year level can enter. It is **not** possible for a child to participate in the competitions at a higher or lower level than they are currently in at school.

The dates for the competitions are as follows:

Computer Skills -	Tuesday 22nd May	Science -	Wednesday 6th June
Spelling -	Tuesday 19th June	Writing -	Monday 18 <sup>th</sup> June
English -	Tuesday 31 <sup>st</sup> July	Mathematics -	Tuesday 14 <sup>th</sup> August

Please enclose your child's entry form and full payment in the envelope provided and return it to your class teacher **no later than Thursday 29<sup>th</sup> March** (where there are siblings entering the competitions, **separate payments/envelopes would be appreciated**). If you require further information, please don't hesitate to contact me.
